THE BATTING MATINEE.

Was a Success, But Baltimore Played the Star Character.

BALTIMORE, August 21.—The Baltimore-Pittsburgh game to-day was a regular batting matinee with the points in favor of the Baltimore. Gumbert and McMahon were both hit hard, and Ebert and Hawke, who succeeded them, did better. Beckley was again removed from the game by Umpire Betts for boisterous kicking. Attendance 4,300. Score:

Champions Win Two Games.

Boston, August 21.—Boston won two games in succession to-day. Fisher aided Boston by bases on balls, but the champions batted freely to all parts of the field. Parrott lasted but one inning, as Boston killed everything that approached the base and circled the bases eleven times at the start. Connaughton, Bannon and Tenney did excellent work. The second game was called at the end of the sixth inning to allow Cincinnati to take the train.

A Home Run With Bases Full.

NEW YORK, August 21.—The New Yorks made another strong finish to-day and defeated the Chicago. The Giants hit Hutchison just at the right time, Eddie Burke making a home run with the bases filled. The features were the batting of Dahlen, Burke and German and the fielding of Ryan. Attendance 3,000. Score:

New York.....0 0 0 8 2 4 1 0—13

Philadelphia Won.

PHILADELPHIA, August 21.—Although Philadelphia won from Cleveland by a comfortable margin to-day, the home team had more than their usual bad luck. Cross cut open his finger in the first inning and Reilly took his place. Delehanty wrenched his side in the sixth inning. The Phillies hit Cuppy freely in the first five innings, but the successor, Sullivan, did some effective work. Attendance 2,500. Score:

Cleveland.....0 0 0 0 0 0 0 0 0—0

The Senators Still Win.

WASHINGTON, D. C., August 21.—The Senators continued their excellent work at the bat to-day, and, assisted by Wadsworth's wildness, won the third consecutive game from the Louisville club. Attendance 1,000. Score:

Washington.....0 3 1 1 0 1 2 4—15	
Louisville.....0 0 0 0 1 1 1 0—1

Twenty-three Safe Hits.

BROOKLYN, N. Y., August 21.—Breitenstein, who has put out the Brooklyn team with two hits last Saturday, pitched again for the St. Louis Browns and was hit safely twenty-three times. The contest was long drawn and devoid of any feature whatsoever. Score:

Brooklyn.....2 3 1 6 0 1 4 3—20	
St. Louis.....0 0 3 2 1 0 2 3—11	

Earned runs, Brooklyn 7; St. Louis 3. Hits, 23 and 13. Errors, 3 and 1. Pitchers, Lucid and Breitenstein. Umpire, Lynch.

Martin's Ferry Wins Again.

Special Dispatch to the Intelligencer.

NEWCOMERTOWN, August 21.—Martin's Ferry won to-day's game with ease. The great work of Prince behind the bat was the feature of the game. Score:

Martin's Ferry.....2 1 1 0 0 0 0 0—4	
Newcomertown.....0 0 0 0 0 0 0 0—0	

Hits, 20 and 7. Errors, 5 and 0. Three base hits, Parcell. Two base hits, Padden, Purcell, Keane and McCleary, of Martin's Ferry. Struck out, by

Jack Glascock Released.

PITTSBURGH, Pa., August 21.—The Pittsburgh base ball managers to-day released short stop Glascock, and Catcher Merritt, and signed Catcher Weaver, of the Louisville.

QUOT PITCHING.

Great Interest in the Sport in the East End This Week.

Since the challenge of the Niagara engine boys, the interest in quita has assumed the symptoms of a fever and the game has made many friends for itself. The latest in that line is a championship tournament that is now in full blast on Woods street between Sixteenth and Seventeenth.

The novel feature of the arrangement is that both ends will receive a medal. The game started on Monday evening with sixteen contestants and out of these the eight with the highest scores continued the game last night. From these the four lowest will be dropped and the remaining four will continue the series to-night. The winners of to-night's series will be the champion team of the tournament, and they will pitch for the individual championship. The winner will then pitch against the unfortunate who had the lowest score on the first evening. The low man is to receive a medal as the easiest mark.

THE FUTURITY.

Centaur's Review of the Field and Condition of the Crocks.

NEW YORK, August 21.—Concerning the race for the Futurity stakes which is to be run at Sheepshead Bay on Saturday and which is worth \$50,000 to the winner, Centaur, the Commercial Advertiser's turf writer says:

The Gideon & Daly Futurity candidates will be at Sheepshead to-day. It is likely that Walzer, Keenan and the Butterflies will go to the post. Martin will probably ride Keenan and Griffin will have the mount on Butterflies. This filly has all her speed and with Trainer Hyland's careful nursing may last long enough to win the great prize for the dark blue colors. If the race were run to-morrow she would be an odds on favorite. Hyland's skill will be put to a supreme test with this filly and all lovers of the thoroughbred will wish him success. The colt Monaco has been doing well, which is also true of Mr. Belmont's Brother to Potomac and Byron McClellan's Halma. By Thursday the Futurity field will be pretty well known. Counter Tenor is doing his work much after the fashion shown by him in the spring. His stable companion, Gotham, is now at his best but is not in the Futurity. Mr. Ruppert will probably start Manchester as well as Counter Tenor. Connoisseur is sure to give a good account of himself and the Saratoga air will be found to have benefited Pierre Lorillard's Liza.

Great Work of All.

CHICAGO, August 21.—Alix to-day trotted the mile in 3:05 at Washington Park, and the exhibition was pronounced by nearly all the horsemen present to be the greatest ever made in the sulky. It reduced the track record of 2:00, held by Nancy Hanks, and while it felt a second and a quarter short of the world's record, was really a better performance, conditions considered. The Washington Park track is at least a second and a half slow. McDowell, who handled Alix to-day, said that the track was two seconds slow at the lowest estimate.

At Jerome Park.

NEW YORK, August 21.—To-day's results:

First, Titan course—Harrington won. Time, 1:22. Second, mile and a furlong; selling—W. B. won. Time, 2:00. Third, five and a half furlongs—Kingston won. Time, 1:14. Fourth, mile; selling—Bauditt won. Time, 1:40. Fifth, five and a half furlongs; selling—Cromwell won. Time, 1:14. Sixth, Titan course—Adelbert won. Time, 1:22.

Poughkeepsie Circuit Races.

POUGHKEEPSIE, N. Y., August 21.—

The first grand circuit trotting meeting that has been held in Poughkeepsie in five years, opened auspiciously this afternoon. There were about 1,200 people in the grand stand. The day's card did not develop any surprises, though all the races were interesting and well contested.

Grover Cleveland Won.

Special Dispatch to the Intelligencer.

HUNTINGTON, W. VA., August 21.—The best races ever seen here took place at the fair grounds to-day, two thousand people being present. Gold Bug, of Pomeroy, O., won the half mile pace and trot in 1:14 and 1:15, and Grover Cleveland the half mile running race in 56 and 54.

Labor Day Race.

As there are many inquiries as to the Labor Day bicycle race to take place next Saturday afternoon, the race is here described: It is a five-hundred, half-mile heats, three heats to win. The prizes include a gold watch, a diamond pin and a diamond ring, making the best prizes put up for any race outside of a regular race meet, ever given here. The race is in charge of Jason C. Stamp, of whom entry blanks can be procured. Entries will close at noon Friday. Among the riders who will probably contest are Henry Mahiko and Max Mahiko, Jason Stamp, Irvin Woods, Oscar Smith and Smith, of Martin's Ferry.

Tennis Tournament.

NEWPORT, R. I., August 21.—The national tennis tournament opened on the Casino grounds this morning with clear skies and everything favorable for good playing, with the exception of a high wind. The interest in the events centered in the championship doubles, between the Noel brothers, the western champions, and Hobart and Hoyer, the present champions. The latter won three straight sets. Score, 6-3; 8-6; 6-1.

A Fifty-six Round Fight.

BALTIMORE, Md., August 21.—Solomon English, of Baltimore, and John Ball, of Newark, N. J., fought fifty-six rounds at an early hour this morning. At the time both men were so exhausted it was declared a draw.

SPORTING SPILAY.

Rubicon, Sandowne, Handsput, Lamplighter, and Domingo, were the winners yesterday at Saratoga.

The Vigilant is still in the Southampton Tidal dock, and further examination of her centreboard, its trunk and the yacht's keel will be made.

In a fifty-mile race yesterday under the auspices of the Royal Albert Yacht Club, the Santanita and the Britannia competed. The former crossed the finish line first, but the Prince of Wales' cutter won on time allowance.

Manager Allen, of the Brockton, Mass., team of the Eastern Base Ball League, has resigned and says he will back the team no longer. The nine will continue on the co-operative

basis for a time. Several hundred dollars are due the players.

Directly 2:12 and Carbonate 2:19 will engage in a match race to-day at Washington Park, Chicago, for \$2,000, and on Friday Robert J. and Joe Patchen will meet for a \$5,000 purse.

Zeigler, Wells and Foster, the great Californian bicyclists, decided yesterday not to go east for the national circuit races. They will take in the Utah circuit this week and then return home.

The Sioux City Athletic Club yesterday received a telegram from William A. Brady, Corbett's manager, announcing the acceptance of the club's offer for the Corbett-Jackson fight. A telegram was received from Richard K. Fox stating that if the \$25,000 purse offered was deposited with the Police Gazette that Corbett and Jackson would sign articles of agreement at once. The club is of the opinion that Fox is acting for Jackson, and that the demands are a little too heavy. They agree to deposit sufficient money to cover the training expenses at once, together with a reasonable forfeit if the fight fails for any reason for which they are held responsible, and to put up the entire \$25,000 within a reasonable time if the men sign articles to fight there.

BELLALIRE.

All Sorts of Local News and Gossip from the Glass City.

Hon. Lorenzo Danford leaves to-day for the Pennsylvania reunion in Guernsey county where he is booked for an address. He is in vigorous health and enjoys mingling with the people on these occasions, and all of his talks seem to reach the people and make him more popular than ever with the masses. The "Quiet Observer" of the Pittsburgh Commercial Gazette heard one of his addresses at Epworth park recently and yesterday published a portion of it, with this comment: "Capt. Danford most eloquently expressed the feelings of very many of those who had gathered at Bethesda from the city and town to breathe again their native country air, and to feel that swelling of the heart they fail to experience in the crowded, busy marts of trade. For the day they allowed themselves to be carried back to the times when sun-burned, barefooted and coarsely clad they ran as free as the fawn upon the hills, or toiled in field or wood, or fished or swam, or stole out nights to visit the girl whose fair face and gentle ways had won their boyish hearts."

The Populists will hold a picnic at Burr's Mill on September 8. James Butella, their candidate for Congress, will make another speech at that time. There is nothing better in the rural districts just now. It is good for the dissatisfied farmers to hear him, for while they want a change they are not hankering after the kind Mr. Butelle proposes.

Messrs. O. P. Mason and James F. DuBois returned yesterday from Lorain, where they spent a day or two on business. They were astonished at the foundations being built for the new iron and steel mill there and say it covers sixty acres of ground.

A number of the folks from here will join a haying party from Bridgeport this evening, in a drive to St. Clairsville, where they will take supper at the Clarendon and dance afterwards.
